Prop 4 is completely different - all prop 4 says is that the situation can be settled by the legislature and the legislation lays out the process. There will still need to be another bill to actually do the land swap. (By the way = that legislation has passed the legislature but hasn't yet been acted on by the Governor.)

Subject: NYCO Enabling Legislation

Hi, Rob, Peter and Mark --

Among his frequent criticisms of Proposition 5 Peter Bauer says there's no enabling legislation -- therefore, no guarantee that the state will get what it says it will get. Conversely, he says, there is enabling legislation for Prop. 4.

Do you know the history here? Why no enabling legislation? We want to be prepared with an answer.

Thanks  
Mark
