Subject: 4/20 Meeting

Gentlemen,

After talking to Paul and Kirk, the meeting scheduled for tomorrow at 10:AM in Glens Falls will be rescheduled. At the present time, all are in agreement that this meeting will take place immediately following the end of the Group 2 Hearing Issues session. As a matter of convenience, the rescheduled meeting will likely take place in Ray Brook. All are in agreement that this rescheduling is not intended to diminish the importance of our getting together.

Tom

Subject: Questions

Tom - I am likely going to have very detailed ??? regarding the application as I describe the proposed project. For example, what is the size range for lots in West Face Expansion? Also, am I correct that the townhomes are actually a subdivision into sites on lands that, for now at least, are to be retained by Preserve Associates?

Generally, shall I address these questions to you as they come up and you can get answers from your team?

I talked with Paul and Bob Sweeney earlier today and the three of us can meet at 10:00am this Friday (10/7) in Ray Brook. Does this work for you? If not, I would prefer this not get scheduled later than next Monday 10/10 or Tuesday (10/11) if you are taking Columbus day as a holiday.

Subject: meeting thursday

Dear Paul and Tom:

I have a large commercial closing that was scheduled in the Syracuse area for next week, but was advised tonight that two of the parties have to leave the country unexpectedly and that we need to close on Thursday downstate. I hate to request that we reschedule our meeting, but have to ask. I have a closing in Tupper on Friday at 115, but could come to RayBrook either in the morning or after that closing. Or we could do it early the following week. Please let me know what might work. Thanks, and again my apologies.

Best regards,
