Subject: Update on NYS Assembly Bill 7974

Good evening everyone.

The Assembly just ended today's session and did not get to our bill. They passed over 100 bills today. They will reconvene tomorrow at 10 AM, and we will monitor the progress. They made it to item 413. We are are item 488.

We will spend tomorrow morning making final preparations for the press release and updates for the website while we wait for the vote.

I will update you as soon as we have more news.
