Peter,
Thank you for your kind words. We should take a hard look at the second and third steps in the process
very soon. We will be meeting internally in the next couple of weeks and it would be helpful if we could
meet with you, Senator Little and Assemblywoman Sayward after that.
Thanks again.
Marc

Thank you Peter.  Yesterday was a very good day.  We are all very pleased here at DEC.  It was a true
team effort and could not have happened without the efforts of many players, some of which I am copying
on this email.  We continue to work on moving this project forward and we will keep you posted on our
progress.  Have a great weekend.

Rob.

Dear Joe and Rob,

On behalf of all NYCO employees "THANK YOU"!  This could not have been accomplished without your
support and efforts on our behalf.  I know there is a long way to go, but it is encouraging that we passed
this first hurdle.  As you are aware, once completed this will pay dividends not only for NYCO but for
Essex County as well as the forest preserve.  Your leadership in partnering business and environment
stewardship is to be commended.
Thank you again for all  the DEC efforts on NYCO's behalf.

Best Regards
Peter
