As Far as the meeting on 6/11, who do you suggest attend from NYCO? Keep in mind, I am now only an advisor and have no operational authority. This rests with Rob Steele. This meeting surprises me, as I thought if the AC approved or stayed neutral Rep. Sweeney would allow the bill to move forward. Let's talk tomorrow.

Peter

fantastic.

If they have not done so already, Assm Sweeney will be inviting you/NYCO to participate in a stakeholder meeting on the constitutional amendments on Tues June 11 at 930 in his conference room in Albany. Commissioner Martens and I will be attending, as will Assm Stec and Neil Woodworth. We anticipate (but have not been so informed) that Peter Bauer from Protect!, Dave Gibson from Adirondack Wild and Willie Janeway from the Adirondack Council were also invited

Within an hour I will have a signed and notarized agreement executed by both sides. Do you need to see this or just know that it is done.
